

Get that fresh 'new PC' feeling back with CCleaner Professional

If your PC is slow, crashing or running out of hard drive space, CCleaner Professional is the solution. Its patented cleaner clears the clutter from your hard drive, removes junk from the Windows Registry, and protects your privacy by removing tracking cookies and browser history. All without touching your documents, music, videos and other files. If you have more than one person using your PC, CCleaner Professional can clean multiple user profiles. With system monitoring it keeps an eye on your system in the background and cleans when needed. It updates itself automatically, so you've always got the latest version. And if you have any questions, our priority technical support team has answers.

Regain your PC's speed, stability and privacy with CCleaner Professional.

CCLEANER PROFESSIONAL HIGHLIGHTS

1. CCleaner Professional analyzes PCs to see what can be cleaned. You decide when and what to clean.

2. The patented Registry cleaner locates and fixes problems in the Windows Registry so that Windows remains stable on your PC.

3. CCleaner Professional removes tracking cookies, while keeping the cookies you need to access web-based applications like Gmail and Facebook.

CCLEANER PROFESSIONAL: A FASTER, MORE RELIABLE PC – INSTANTLY

- ✓ **Make your PC last longer**
CCleaner Professional speeds up your PC and recovers hard drive space. It's like getting a brand-new PC for a fraction of the cost.
- ✓ **Easy to use**
If you can use email, you can use CCleaner Professional. It's point-and-click, and you decide what to clean and what to keep.
- ✓ **Be safer online**
Advertisers and websites track your behavior online with 'cookies' that stay on your computer. CCleaner Professional erases these cookies so any browsing you do stays confidential.
- ✓ **Reduce crashes**
The Registry stores Windows settings. Over time, it can become cluttered and filled with errors, and can lead to crashes. CCleaner Professional's patented Registry cleaner clears out the clutter so your PC is more stable.
- ✓ **Automatic updates**
CCleaner Professional updates itself automatically in the background, so you've always got the latest version with the ability to clean the latest software. We do the work so you can stay up to date.
- ✓ **Speed up your startup**
Many programs run silently in the background when you start your PC. CCleaner Professional helps you get to work – or play – faster by letting you disable unneeded programs.
- ✓ **Supports multiple users on the same PC**
If more than one person has an account on your PC, you can use CCleaner Professional on all accounts at the same time – or just the ones you want.
- ✓ **Support when you need it**
If you ever have any problems or questions, we're here to help. CCleaner Professional comes with priority technical support, so you're always guaranteed a quick answer.
