

Avast Ultimate

The ultimate protection, privacy, and performance bundle for your PC

Ultimate protection

The world's largest threat-detection network, cloud-based artificial intelligence, and light-speed behavioral analysis put our antivirus above all others.

Ultimate privacy

Encrypt and hide your online activities from hackers, snoops, and your internet service provider. And prevent peeping Toms from using your webcam to spy on you.

Ultimate performance

Keep your PC clean, fast, and efficient. Speed up and revive your computer in minutes, and shorten your boot time, big time.

Ultimate convenience

Get the very best of Avast in an easy, all-in-one package. A single subscription protects your PC and helps keep it running as smoothly as the day you bought it.

Treat yourself to the best

Avast Ultimate contains our absolute best security, privacy, and performance products for Windows PCs. You get:

Avast Premium Security

Advanced protection for your PC and home Wi-Fi network. Includes Ransomware Shield technology that protects your photos and personal files from hijacking, and Webcam Shield to nip webcam spying in the bud.

Avast SecureLine VPN

Privately browse, bank, and shop online thanks to our 256-bit bank-grade encryption that keeps your activity hidden from hackers and curious agencies. Disguise your location to access geo-blocked content with a click.

Avast Cleanup Premium

The ultimate PC junk blaster. Speed up your PC in minutes with our advanced tuneup tool, and enjoy convenient 1-Click Maintenance and automatic cleanings. Shortcut, disk, and browser cleaner? All included.

Minimum system requirements

Microsoft Windows 7, 8, 8.1, or 10
2 GB of disk space
Internet connection for automatic updates
